GENERAL INFORMATION

TIME and PLACE — The Sale will be held Saturday, February 13, 1960, at the Farmers Livestock Exchange, Winchester, Virginia - just West on U. S. No. 50. Sale will start promptly at 10:30 a.m. Lunch will be served throughout the day.

ACCOMODATIONS — There are several motels around Winchester. The sale headquarters will be the George Washington Hotel, Winchester, Virginia.

TRANSPORTATION — Those traveling by train should come into Washington, D. C. or Martinsburg, West Virginia. For transportation from Martinsburg, get in touch with the sale manager. The closest commercial airport is Washington, D. C., 65 miles East of Winchester.

SALE COMMITTEE — W. A. Davidson, Pen-Y-Bryn Farm, Marshall, Virginia; W. J. (Hank) Davis, Archwood Farm, The Plains, Virginia; W. C. Jones, Home Again Farm, Marshall, Virginia.

AUCTIONEERS — C. D. (Pete) Swaffar, Tulsa, Oklahoma; Stan Harworth, Warrenton, Virginia, and Donald L. (Don) Smock, Whiteland, Indiana.

SALE MANAGER — H. W. Walker, 3906 East 71st Street, Indianapolis, Indiana. Telephone - Tilden 9-2248 (Fishers Exchange).

MAIL ORDERS — Those unable to be present but desiring to buy may do so by sending buying orders to any of the following reliable men:

Hal Longley, The Shorthorn World, 16 South Locust Street, Aurora, Illinois; Kenneth R. Fulk, Executive Secretary of American Shorthorn Association, Exchange Building, Omaha 7, Nebraska; James W. Browitt, Executive Assistant Secretary, American Shorthorn Association, 212 Koster Street, Lexington, Kentucky; E. M. (Ed) Huff, representing Livestock Breeders Journal, Warrenton, Virginia or to any of the auctioneers or the sale manager.

Telephone at Farmers Livestock Exchange - Mohawk 2-7210.

TERMS — All bulls must be paid for on sale day unless other arrangements are made in advance with the consignor and the sale manager has been advised of the arrangement. Settlements must be made with the clerk immediately at the conclusion of the auction and before the animals are removed.

GUARANTEE — The Standard Guarantee of the American Shorthorn Association printed in the back of this catalog.

REGISTRATION CERTIFICATES — A certificate of registry and transfer will be furnished with each lot sold.

HEALTH — All animals have been tested for Tuberculosis and Bang's Disease within 30 days of date of sale, except that no Bang's test is necessary for calfhood vaccinated animals under 24 months of age. All animals in the sale will comply with the health laws of the State of Virginia. A health paper will be furnished with each lot sold. A representative of the Virginia State Veterinarian's office will issue health charts for interstate shipment.

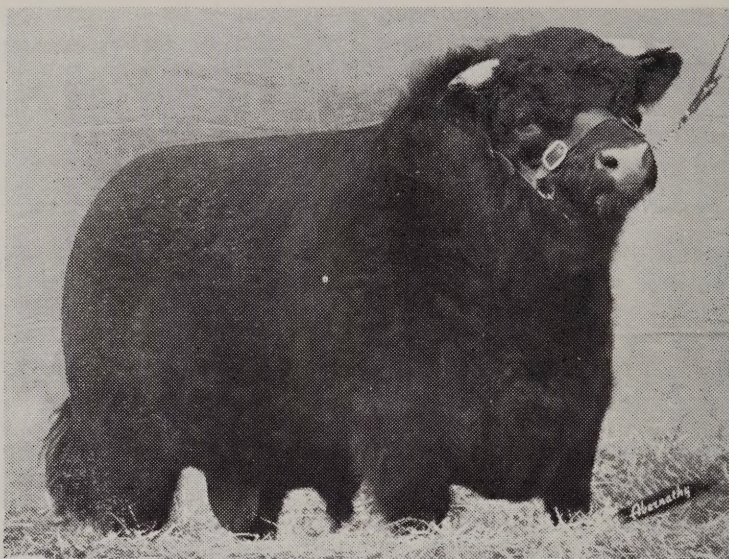

ANNOUNCEMENTS — All announcements made from the auction block on sale day will be considered final and will take precedence over the matter printed in the catalog.

LIABILITY — We will not be responsible for any accidents that may occur. Although we will make every effort to provide for the comfort and safety of those attending, persons attend at their own risk. The clerks, sale manager, auctioneers and sale committee do not accept any liability. The sale manager was retained for specific tasks, promotional and clerical, and has nothing to do with the condition of the premises, the handling of the cattle, the fulfillment of guarantees, or errors that may occur in shipment and health charts. The above guarantee and terms shall constitute a contract between the buyer and consignor (seller).

TRUCKING — There will be several reliable trucks available. Arrangements can be made before, during or after the sale.

★**ARROWSMITH MAJESTIC 3004-524.** A member of the First Prize Group of Three Bulls at the 1959 Maryland State Fair. Examine this bull for height of quality, depth of body and rapid maturity. As a calf he carried all the qualities which he now displays — great depth, full quarters, exceptionally strong front and completely masculine head. Here is a well-boned, virile, stylish bull. His sire, Bapton Majestic, is the Senior Herd Sire at the renowned Kickapoo Farms.

★**ARROWSMITH HERO 2997-554.** A member of the First Prize Group of Three Bulls at the 1959 Maryland State Fair. This deep, beefy son of the International Grand Champion, Leveldale Critic, is out of a very strong daughter of the sire of champions, Leveldale Basis. We believe that Arrowsmith Hero has not only the champion parentage but also the individual character and perfection of body of a real herd bull prospect.

★**ABERFELDY ARTIST =378613=**. A real prospect for a show or stock bull. Very level and well balanced with tremendous depth of body. He comes from one of the best cow families, his dam being one of the top cows in the herd. His sire, Calrossie Klondike (Imp.), placed Second to the Champion Bull at the National Show at Calgary, and Third at the Canadian Royal in 1958. His dam, Dryn timer Rosewood 97th (Imp.) is also the dam of Dryn timer Drambuie, sold at \$3,500.00 four years ago to Charles Ewald Waldorf, Minnesota, where he has bred very well. Hallock DuPont of Wilmington, Delaware for \$1,000.00 when he was only 9 months old. Many are familiar with the sire of this calf, as he sired many sale topping calves in Ohio Sales. We purchased the Dunrel Bull in the International Sale for \$2,100.00, and he proved a very cheap bull. The dam was a Sale Champion when we purchased her for \$1,000.00. This calf should have many friends at the sale. Herd under Ohio Beef Cattle Production Testing Program and Dunrel Baron weighed 1,060 pounds and graded 14 on December 9, 1959.

★HOME AGAIN BRIGADOON 2998-436, V. P. I. — B. C. I. A. Tested.

THE SHORTHORN BULL

*puts more pounds
and more profit
in beef raising*

He puts more profit into beef raising because he sires healthy, early maturing calves . . . calves that gain more weight and gain it faster . . . bringing a higher profit to producers.

He sires calves that have greater weaning weights by 50 to 100 pounds. And his calves have the Shorthorn ability to convert grass and grain into beef rapidly, giving producers a shorter feeding period and lower feed cost . . . on yearlings that scale 100 to 200 pounds heavier.

His calves are healthy, highly resistant to pink-eye, cancer-eye and many of the hereditary diseases. These Shorthorn calves do well in rugged terrain and under varied climatic conditions. The Shorthorn Bull is excellent for crossbreeding, too. He "beefs up" the calf crop and improves the gaining ability of each calf.

These are the reasons more and more cattlemen are buying Shorthorn Bulls.

They're reasons why it would pay you to do the same.

Put the "doing ability" of the Shorthorn Bull to work for you . . . siring healthier, faster growing calves that bring more money at the market.

This sale is your opportunity to put pounds and profit into your beef program. Carefully selected animals are presented in this offering, they represent tops in quality and breeding.

POLLED AND PROFITABLE

Yes, he's polled and he's profitable.

He's a Polled Shorthorn Bull and it's profitable to breed bulls like him because more and more commercial producers are demanding Polled Shorthorns.

These commercial producers know Polled Shorthorns sire healthy calves — calves that gain faster, bringing a high return on investment. The Polled Shorthorn also de-horns the calves, making them easier to handle, and easier to sell.

Polled Shorthorns are a modern breed . . . with calves that will rapidly convert grass, or grain, into high quality beef . . . giving producers and feeders a faster gaining and a more profitable calf.

That's why there's a growing demand for purebred Polled Shorthorns.

And why it's profitable to breed them.

Carefully screened and selected individuals are presented in this sale offering to provide sound breeding stock for the establishment or improvement of existing Polled Shorthorn herds. Quality is reflected in each animal, and buyers are given an opportunity in this sale to fill their needs from the finest seed stock available.

A rare opportunity
to have such a wide selection of
Shorthorn and Polled Shorthorn Bulls
for you to improve your . . .
Commercial Herd
Purebred Herd

STANDARD GUARANTEE

of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipments shall be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
